CHAIR'S NOTES

Our Annual General Meeting at end of May went well – I was sorry that I was unable to be there, but I would like to give a big vote of thanks to Derek Yeo who deputised for me. As there were no other nominations for these posts on the Executive Committee, the following were duly proposed and seconded and were therefore accepted to serve another year on the Committee:

Chairman:	Audrey Willson
Secretary:	Debbie Edwards
Membership Secretary:	Mavis McCarthy
Communications Secretary:	Shirley Ellerbeck

and I would formally like to thank Debbie, Mavis, Shirley, and Maggs Sandilands (who is co-opted from the Social Committee) for all their hard work over the last year.

With Bill Brewer stepping down as Treasurer, Brenda Dombey will be taking his place as Treasurer.

A nomination for the vacant post of Groups Co-ordinator was received from Cheryl Bailey who will now hold that post.

Nominations were also received and accepted for two new General Committee Members - Margaret Laurence and Amanda Tomlin.

I would like to thank Bill Brewer for his sterling work as our Treasurer over the last three years, and to welcome Brenda, Cheryl, Margaret and Amanda onto our Committee.

We still need a Vice Chairman, Speaker Bookings Secretary and Publicity/Events Secretary and I would be very happy to speak to any members who would like to know more about these posts.

With our continued policy of promoting Sutton U3A to the public, we shall be having a pitch at the following two events in the summer:

**Carshalton Environmental Fair on Monday
31st August
&
Scola's Big Event in Manor Park Saturday
5th September**

If you come to any of these, please do come and say 'Hello' to us.

As our membership continues to grow we need to expand our Groups with new subjects and, where there are waiting lists on the same subject, we need to start a second Group. Debbie Edwards and I took over the waiting list for Ann Wilson's Theatre Group, and we started a second Theatre Group. If you have any ideas for new Groups, or are on a waiting list, please do contact either myself and/or the new Groups Co-ordinator, Cheryl Bailey, and we will see what we can do to implement new Groups

Finally, I wish you all a really lovely summer.

Audrey Willson

!!! Social Club Committee in Crisis !!!

Sudden and severe illness has struck down two key members of the Social Club Committee and if the planned programme for 2015 is to go ahead, help is urgently needed.

Apart from assistance in planning and organising outings, a new Treasurer is needed as soon as possible. This role does not necessarily include any other duties.

Without assistance it will not be possible to arrange a programme of coach outings, theatre trips and art gallery tours in 2016.

If anyone can help, please contact Maggs Sandilands on 020 8647 4419 or Audrey Willson on 8642 0187 or email u3awillson@btinternet.com

London Region of the U3A

The London Region is an umbrella group which covers all the U3As in the Greater London area. It meets four times a year. It discusses issues in common with all U3As and, in particular it organises the London Region Summer Conference. Meetings are held at various locations in central London.

Two members are needed to represent Sutton U3A at London Region Meetings and report back to the Executive Committee. If you think you would like to undertake this role, please contact Audrey Willson on 020 8642 0187 or email u3awillson@btinternet.com

Gift Aid Form

It has been decided to apply for Gift Aid. This gives us an additional 25% on each subscription. The form is at the back of the newsletter. The completion of this form does not involve the members in any expense. Many of you completed form at the Annual General Meeting and it is not necessary to complete it again.

Please send to Brenda Dombey, Treasurer, Bay Cottage, 2 Woodend, Sutton, SM1 3LH. Alternatively, if you regularly meet with a Committee member, please hand to them.

Frank Gilbert

*Beloved Husband of Joan,
loving, generous Father to Joy, Helen and James.
Grandpa to six cherished Grandchildren*

Frank Gilbert who died recently was one of the original founder members of Sutton U3A, together with Joan Sene, Bob Taverner, Ted Berg and Frieda Wright.

The initial meeting was in 1986 at Sutton Library. Notices went out and the meeting was publicised. 70 people were expected to attend and 200 people turned up for the meeting! After the first meeting in 1986 Sutton U3A was registered in 1987 and the first constitution was registered with the Charity Commission.

Frank hosted and ran two groups at his home. His first love was Classical Music and he had a vast collection of music that was catalogued and took up a full wall in his music room. He ran the music group until about five years ago when Charles Stow took on the leadership. Frank was also leader and host of the History A Group for many years.

I first met Frank in 2000 when I joined the History Group. He was a regular presenter of information and was very interesting and knowledgeable about whatever subject he presented.

Regarding his personal life, he was married to Joan for over fifty years and had a loving family. He served in the Second World War and was a Fighter Controller in the Far East. Along with other members who had served in the war Frank gave a talk about his experiences to U3A about five years ago. After he left the Air Force he joined the Post Office and worked there for many years.

On a personal note I found Frank to be a lovely man and a perfect gentleman and he will be very much missed by all who knew him.

A Walk Through the Inns of Court, Holborn, followed by lunch Monday, 27th April, 2015

At Chancery Lane Underground Station, on a not too chilly Spring morning, 29 members met our Guide, **Ian Bevan**, for the planned morning's walk round the four Inns of Court which are situated in three areas stretching from just north of High Holborn to the Embankment.

The four Inns are legal societies which have the sole right in England and Wales to admit law students as barristers, meaning that they can prosecute and defend cases in court. As we went round the Courts we saw that they are all stunning examples of Gothic architecture

The first Inn we visited was Gray's Inn – this was built in the 13th Century on the site of the medieval manor of Portpoole ("the market by the Pool") and the Gray's family owned it until 1506. Within Gray's Inn is South Square which like so many historical buildings, was largely destroyed in the Blitz but fortunately was rebuilt in the 1950's to the original plans.

We next visited Lincoln's Inn which was founded in mid-14th Century by the Earl of Lincoln who brought together a society of lawyers and the Inn was built on the site of his palace. Lincoln's Inn claims to have the earliest written legal rules, called the Black Books which date from 1422.

Our next port of call was an Inn called The Temple which it takes its name from the Knights Templar who occupied the site in the 12th Century. Some of the land

was offered to lawyers as accommodation, hence the word Inn". Within this lovely complex the original Temple Church was built but unfortunately all that has survived is the Crypt in which the secret initiation ceremonies were conducted.

We next followed our guide to the Inner Temple (another Inn) which has been almost completely rebuilt, having been destroyed in the Great Fire of 1666 and again in the Blitz, but all rebuilt to the original plans with very beautiful gardens.

Lastly we arrived at our "watering hole", the Middle Temple which includes a number of squares where many barristers have their chambers, but the highlight of Middle Temple is Middle Temple Hall built 1562 – 1570, described as '*the finest Elizabethan building in central London*' which boasts one of the finest hammer-beam roofs. It was in this awesome building that 20 members enjoyed a lovely 5 course lunch with our lunch companions being many members of the legal profession, but unfortunately we did not see any judges lunching – they usually sit at the "top table".

Everyone had a wonderful "history lesson" with Ian giving us the benefit of his considerable knowledge and, with this being followed by our magnificent lunch, we all left for home feeling we had experienced a great day.

Visit to the Mansion House

In January I received an invitation for a group visit to the Mansion House for 40 people on Monday, 23rd March. This came completely out of the blue. We had made several requests for a visit over many years but we had not had any success. So I accepted and then set about finding a group who had never been and who could go on that day.

We were welcomed by a very Welsh gentleman, whose accent was so strong we had difficulty understanding him at first. He had a wonderful sense of humour and was a good guide. The Mansion House was available that day because the Mayor of the City of London was abroad on business.

The Georgian Mansion House was built in the Palladian style in 1737 by the architect George Dance the Elder. Many changes to the building have taken place, including the roofing of the courtyard. The Mayor has private apartments, his staff offices and many civic, ceremonial and large entertainments take place in the public rooms which are sumptuously and beautifully decorated and furnished, with some lovely paintings.

The atmosphere of the Mansion House is very grand but almost homely for the Mayor of the City of London. It was a privilege to visit.

Visit to St Albans by the Town & Country Group

On Wednesday 10 June, eleven members of the Town and Country Group took the train from Sutton to St Albans. Having taken the short bus journey into town (and speedy refreshments), we walked through the interesting marketplace where several bargains in womenswear were found! On then to the marvellous Cathedral, where an organ recital and a guided tour were on the agenda. Most

members then walked through the beautiful Verulamium Park to the Roman Mosaic and on to the Roman Amphitheatre. Later, a cream tea in the sun by the Cathedral brought the day to a very pleasant conclusion.

The Shuttleworth Collection and Swiss Garden

Monday 7th September, 2015

*** This is a visit for everybody because of the two different attractions adjacent to each other ***

In the Shuttleworth Old Warden Aerodrome there is an awe-inspiring collection of aircraft and vehicles from the first half of the 20th Century. There is an engineering workshop to be visited; a collection of mostly Edwardian vehicles and also motorcycles and bicycles.

The Swiss Garden is adjacent to the Collection and has recently benefitted from a £3.5m restoration. It is an extensive, picturesque Regency Swiss Garden with surprises and vistas revealed at every turn, including alpine hills, shrubbery, trees, paths, little lakes and follies, with the Swiss Cottage at the centre.

There is a restaurant and a Visitor Centre with a gift shop.

The cost of this visit, which includes the coach, driver's gratuity and the entrance to both attractions is £29.15 per person.

SMALL TASKS AS REQUIRED

We are still keen to encourage people to join our new S.T.A.R Group. As always there are many small tasks that need doing, for which the members of the Executive Committee may not always have time or the skills. With our intention to attend more events this year to promote Sutton U3A, this group allows for members to share in and feel a real part of the U3A, without any commitment on a regular basis.

SPRING FEVER

Oh I am sick for summer's grace,
Long for the multitude of sunlit places,
For plethora of patternings beneath the trees,
For dappled days and sultry evenings.
This has been a long hard winter,
Not in the grip of ice or depth of snow,
But in the melancholy merging of the months
As one grey day dissolved into another
Imprisoning the very spirit,
God send the hammer blow of spring to set us free!
